## Membership

**Would your company benefit from joining an organisation that supports and promotes the chemistry-using sector in the Northwest? Do you want to understand more, and contribute to, the industry issues within the region?**

If you are a manufacturer, chemical user or offer products and services to the sector, why not join us today?

<https://www.cia.org.uk/chemicalsnorthwest/Membership/Benefits-Costs/2022-rates>. (from 1st April 2022)

Micro corporate membership	(1 - 10 employees)	£469.79
Standard corporate membership	(11-100 employees)	£817.11
Large corporate membership	(100+ employees)	£1039.86

*Our membership year runs from 1 April to 31 March. A pro-rata basis usually applies to joining at other times in the year and we'd be happy to discuss on application.*
