TRAINING

Human Factors in the Chemical and Process Industries

Modular human factors training

Would you like to develop your understanding of human factors in the chemical process industries?

Are you looking for practical guidance, tools and approaches to help you manage human factors effectively at your organisation?

Sign up for our human factors training and take your human factors understanding to the next level.

Training is delivered online and face-to-face in Edinburgh, UK. It can also be delivered in-company.

What's available?

Human Factors in the Chemical and Process Industries consists of four modules:

- Managing Human Factors
- Managing Human Failure
- Strengthening Organisational Performance
- Human Factors in Design

Complete individual modules or all four depending on your training needs.

“*Human Factors in the Chemical and Process Industries* has given me the confidence to lead the human factors agenda at a top tier COMAH site.”
