IN-COMPANY

Develop your skills

The Institution of Chemical Engineers (IChemE) is a market leader in process industry training. We offer an extensive range of courses to help you develop your chemical engineering and process safety knowledge and skills.

Learn online or face-to-face, and consider an in-company course if you have a team to train.

Browse our courses and discover how we can support your training needs.

Our courses cover

Process safety

- Hazard identification and risk analysis (including HAZOP and LOPA)
- Process safety management
- Understanding hazards (including hydrogen hazards)
- Human factors

Process and plant operations

- Chemical engineering for scientists and other engineers
- Distillation technology
- Plant and production management
- Scale-up of chemical processes

Contract and project management

- Contract law for engineering contracts
- Engineering project management
- IChemE Forms of Contract

Sustainability

- Introduction to sustainable process engineering
- Sustainability leadership
- Sustainability measurement
- Material resource management
